DUTCH CREEK
1.5 MILES

2-way trail open to foot and bike traffic. Recommended travel for bikes is uphill.

BEAR RIDGE
1.75 MILES

2-way flow trail with berms and rollers, open to bike and foot traffic. Recommended travel for bikes is downhill.

COAL BASIN
(#1953) 6.1 MILES

Double-track, main public route through the ranch. Only trail open to horses and well-behaved dogs off leash.

FLYING DUTCH BOY
.25 MILES

Short, sweet directional jump line for bikes only. Tabletop and optional gap jump features. Session by climbing back up a short section of Bear Ridge.

MINE SHAFT
.4 MILES

The upper section is rated easy and has an optional exit before entering the more advanced Lower section. Climb Portal Return back to Dutch #1 to session.

DUTCH #1
PORTAL TRAIL

Includes a narrower stretch of boardwalk through the trees and some rockwork on the tread to add challenge.

DUTCH #2
PORTAL TRAIL

Practice boardwalk skills on this loop's multi-directional wooden ramps.

DUTCH #3
PORTAL TRAIL

Narrower single-track around a pond helps new riders test their steering and balance.

DUTCH #4
PORTAL TRAIL

Balance bike track. Our easiest trail, built with the youngest of riders in mind, but open to all.

PORTAL RETURN
.4 MILES

Double-track, mellow pedal to the "top" of the Portal Uphill route to access Mine Shaft and the Dutch loops.
